

# BROOKFIELD INSIDER

MAY, 2024

*E-Newsletter for the Month of May 2024*

## EDITORIAL BOARD

**"Motherhood: All love begins and ends there." — Robert Browning**

The month of May has been a time of heartwarming celebrations and meaningful activities at Brookfield International School. This month, our school came together to honour the unparalleled role of mothers. Their boundless dedication and nurturing spirit are the very foundation upon which our students build their dreams and achieve their goals. The celebration of Mother's Day was a poignant reminder of the irreplaceable impact mothers have on our lives.

Throughout May, our school was abuzz with a plethora of engaging activities, each designed to enrich and inspire both our students and parents. These events not only fostered a sense of community but also provided opportunities for growth, learning, and joyous participation. As we look forward to the upcoming months, we remain committed to nurturing the holistic development of our students, ensuring that they continue to thrive in an environment of love and support. Thank you for your unwavering trust and involvement in our school community.

**Ms. PARAMJOT & Ms. PRIYANKA KAUSHAL**

# Thanking our Helpers

**"Labour Day is a time to reflect on the efforts of everyday workers who make the country run and grow, and to remember that the value of work goes far beyond financial reward." – Senator Elizabeth Warren**

Our school celebrated Labour Day with a heartfelt assembly. Grade 4 students organised cultural performances, speeches, and skits to honour our helpers. Special thanks went to our dedicated teachers for their thoughtful gifts. Principal Mrs. Vandana Bansal led the festivities, presenting cards and gifts to our valued staff members. The assembly beautifully showcased our school's commitment to gratitude and recognition.

## Young Skater Shines at Championship

**"Success is not the result of spontaneous combustion. You must set yourself on fire." - Arnold H. Glasow**

Congratulations to **Annika Singla of VI Alpha** for clinching the **1st position** in the **Under 11 Quad category** at the **Open Roller Skating Championship** held on **May 5, 2024**, at **Fatehgarh Sahib**. Your hard work and dedication are truly inspiring!

# Potter's Wheel Activity

“Turn, turn, my wheel! Turn round  
and round Without a pause,  
without a sound: So spins the flying  
world away! This clay, well mixed  
with marl and sand, Follows the  
motion of my hand; For some must  
follow, and some command,  
Though all are made of clay!”  
-Henry Wadsworth Longfellow

The pottery wheel activity was an absolute hit with our foundational level students! Their excitement was contagious as they gathered around, eager to dive into the world of clay. With expert guidance, the students explored their creativity, learned the value of patience, and practiced teamwork, molding beautiful creations. The joy and enthusiasm in the room were truly inspiring, making it a memorable and enriching experience for all involved.

## Brookfield International School Shines at Mock United Nations Event

In the words of Theodore Roosevelt,  
“Believe you can and you're halfway there.”

**Brookfield International School's** delegates excelled at the **Mock United Nations event** organized by **Hansraj Public School, Panchkula**. **Akshit Manhotra** stood out, receiving a special mention award for his remarkable performance. Their dedication and effort were truly commendable! Applause to all participants for embracing this enriching experience!

# Spectacular Mother's Day Celebration

"Mothers are the heartbeat in the home; and without them, there seems to be no heartthrob." – Leroy Brownlow

**Brookfield International School's Mother's Day celebration was a resounding success!**

The event featured heartfelt student performances and a captivating fashion show, radiating love and appreciation for mothers.

**Principal Mrs. Vandana Bansal** warmly welcomed everyone, making it a memorable occasion. The school overflowed with affection as students also shared touching poems and letters. Beautiful posters and handmade cards adorned the school, expressing gratitude to the incredible mothers in our lives. It was a day of love, appreciation, and family togetherness.

# Exploring with Curiosity Kids!

"Science is a way of thinking much more than it is a body of knowledge." - Carl Sagan

We're thrilled to have implemented **Curiosity Kids**, an esteemed **STEM-accredited program** hailing from **Singapore and Hong Kong**, into our school curriculum!

This initiative provides our students with interactive experiments and activities, enriching their educational journey. **From Grade 1 exploring constellations to Grade 5** understanding earthquakes, each grade level is engaged in exciting scientific adventures. Students investigated noise pollution, discovered types of leaves, uncovered root types, and delved into the causes of earthquakes. **Through Curiosity Kids, our students are not just learning science; they're experiencing it firsthand, fostering curiosity and a deeper understanding of the world around them.**

# Camping and Trekking Trip

**"The purpose of life is to live it, to taste experience to the utmost, to reach out eagerly and without fear for newer and richer experience."- Eleanor Roosevelt**

Our **Class 10 students** recently embarked on an **exhilarating Camping and Trekking Trip to Chail and Kufri**, organised by our school. The trip was a blend of thrilling rock activities, invigorating trekking trails, and heartwarming bonfire gatherings. It offered students a chance to reconnect with nature, forge lasting friendships, and cultivate resilience.

This unforgettable adventure not only provided unforgettable memories but also instilled in them a deeper appreciation for the wilderness and invaluable life skills.

## Unlocking Imagination Jadui Pitara Workshop

**"Learning is a treasure that will follow its owner everywhere." - Chinese Proverb"**

**Ms. Monica** led a workshop for educators on using the **Jadui Pitara** as an effective tool for children aged 3-8, following CBSE guidelines recommended by NCF. The session highlighted the value of traditional tools, encouraging creativity with musical instruments, colourful boxes, balls, and more. Educators engaged in lively hands-on activities, while **Principal Ms. Vandana Bansal** shared insights on captivating classes for kids. Overall, an enriching experience for all involved.

# Teachers' Fun-Filled Day Out

**"Rest and self-care are so important. When you take time to replenish your spirit, it allows you to serve others from the overflow. You cannot serve from an empty vessel."  
- Eleanor Brownn**

Just before the summer break, **Brookfield International School** treated its devoted teachers to an exciting day out, organized by Principal Mrs. Vandana Bansal. The event was a gesture of appreciation for the teachers' hard work and dedication throughout the academic year.

The day was packed with a variety of fun games that brought out the competitive spirit in everyone, along with energetic dance music that kept the atmosphere lively and upbeat. These activities created an enjoyable and engaging environment for all the participants.

**A delightful lunch was also provided, adding to the day's pleasures. This well-planned outing offered the perfect opportunity for relaxation, bonding, and celebration, allowing the teachers to unwind and connect with each other in a joyful and festive setting.**

# *Celebrating Excellence !!!*

**"An investment in knowledge pays the best interest." - Benjamin Franklin**

We're delighted to share the exceptional results achieved by **Brookfield International School** in the **CBSE Board Examination 2024!** Congratulations to our students for their outstanding performance. Their hard work and dedication have truly paid off. We extend our heartfelt gratitude to our teachers and parents for their unwavering support.
